About & Co

Inspired by Africa's rich cultural heritage through bold prints and textures, our Ogumbo & Okubo 'Safiri Collection' translating from Swahili to English to mean 'To travel, ' is finally here.

These swim and activewear pieces are created using ECONYL® regenerated nylon to offer luxury through well-crafted swim, surf, dive & activewear signature pieces that drive the industry towards a sustainable future while giving our brand and consumers a sustainability edge.

Our Mission

Empowering the swim and activewear consumer by connecting quality, style, flair and an environmental conscience.

Our Vision

Inspired by Africa's rich cultural heritage through bold prints and textures, Ogumbo-Okubo pieces are created using ECONYL® regenerated nylon to offer luxury through well-crafted swim, surf, dive & activewear signature pieces that drive the industry towards a sustainable future while giving our brand and consumers a sustainability edge.

About The Brand

With a touch of whimsical flair employing bold African-inspired tribal prints and colours highlighting teals, magentas, orange hues and violets , the Ogumbo & Okubo one-piece classics and bold bikinis will have you spending more time at the beach soaking up sun rays or taking the plunge as an adventurous swimmer. As for fitness fanatics, our activewear will have you spending more time on fitness to maintain your physical and mental well-being in style and comfort.

Blurring the line between swim, comfort and style, the Ogumbo & Okubo range serves quality and luxury through plunging one-piece to printed bikinis, each piece is designed with high-quality fabric for you created using ECONYL® regenerated nylon is soft on the skin, comfortable and flexible on the body enough to accentuate each curve even through weight fluctuation.
